COMPANY OVERVIEW

IB GROUP is an asset management company. It has many years' experience of the creation of entertainment centers in a luxury segment.

Well-organized structure of professional, international management, using of innovative solutions and system-related administration are strategically competitive benefits of the company.

They allow to realize successful projects of any complexity.

Principal directions of the company's activity:

- opening of a casino (on a turnkey basis);
- opening of slot machines halls;
- services in the gaming industry;
- casino management.

“Opening of the Casino”

The primary objective of IB Group in a project “Opening of the Casino” is not only opening a competitive casino, but also the best casino, market leader.

The following activities are held within the framework of the project “Opening of a Casino” (on a turnkey basis):

- conceptualisation of the project;
- evaluation of the competitors;
- schedule development;
- cost estimate and financial prospects;
- budget and project costs planning;
- staff recruitment and training;
- risk identification and response plan;
- suppliers activity management;
- monitoring of the plan's performance;
- marketing policy and advertising strategy of the casino in the medium term ;

Business Administration

One of the most important criteria of the business is the efficient management. If the casino management is professional, understands all aspects of the conduct of a business, sees not always explicit connections between different fields of casino activities, then this establishment always holds leading market positions. IB Group provides integrated management of the casino.

Management of the casino is a core business area of the company. The company's managers have more than 30 years of experience of work.

Professional management - is key to the success of any project.

The company is constantly engaged in recruitment. Very attractive terms are offered for employees:

- high wages;
- opportunity for career growth;
- flexible work schedule;
- compliance with labour legislation.
